No magistrate judge shall perform any of such duties in a district to which he or she has been temporarily assigned until an order has been issued by the chief judge of such district specifying (1) the emergency by reason of which the magistrate judge is being transferred, (2) the duration of his or her assignment, and (3) the duties which he or she is authorized to perform.

The Western District of North Carolina certifies the need for assistance from the Honorable L. The emergency is that our district's magistrate judges will be unavailable and unable to handle criminal matters in the Western District of Carolina from May 15-17, 2019.
